Dear worthy Commissioner ma'am

I write to you on behalf of our Chairperson Dr. Deipa Singh, Legal Awareness and Free Legal Aid for Women Society (the LAFLAWS).

LAFLAWS is a registered society focused at providing free legal aid to women through our dedicated team of women lawyers. We have provided free legal aid to women in various court cases such as matrimonial, land dispute, criminal, disability related etc.

Through this email it is our endeavour to enter into some collaboration with the Department of Women and Child Development Haryana - so that we may be able to contribute to issues related with women and children with our niche skill set of helping providing access to justice. This is the link to our website <https://www.laflaws.in/>

We look forward to hearing from you regarding any kind of collaboration where our expertise may be well utilised.

Best Regards
on Behalf of Dr Deipa Singh, Chairperson LAFLAWS
Malvika Singh, Member LAFLAWS
